

SKYBROOK YARD OF THE MONTH!!

Did you know that Skybrook residents now has a way for showcasing their yards, pools or patios? Welcome to the Skybrook Yard of the Month! Skybrook Yard of the Month (SYM), was formed to encourage camaraderie amongst neighbors as well as the beautification of our neighborhood. It's a fun new way to do just that!

How does it work? Each month is associated with a theme – which will be posted on SkybrookHOA.com as well as the Skybrook Community Facebook page. You can nominate your own yard, a neighbor's or even just an address if you don't know the owner but admire their yard. Nominations can be emailed to SkybrookYardoftheMonth@gmail.com and must be submitted by the **5th day each month**.

The Committee will contact the homeowner and obtain permission to come by and take pictures and judge their yard based upon a SYM criteria checklist.

Winners will be announced on the 15th of each month on Skybrook Neighbors, SkybrookHOA.com and in the quarterly newsletter. Winners may proudly display a SYM sign in their yard until the 14th of the following month.

Who's eligible? All single family home owners in Skybrook Main (this is any single family home off any of the entrances from Eastfield/Harris Road).
