Section 1. Architectural Review Board. An Architectural Review Board ("ARB") consisting of at least two (2) persons, who are not except as provided hereinbelow required to be members of the Association, shall be appointed by Declarant at or prior to the conveyance of the first lot. At such time as Declarant conveys its last remaining lot, the ARB shall be appointed by the Board of Directors of the Association. Declarant or Board of Directors of the Association, as appropriate, may elect at its option to increase the number of members of the ARB from time to time. In the event of the death or resignation of any ARB member, the authority which appointed that member shall designate and appoint a successor to serve the remainder of the departing member's term. Members of the ARB may be removed or replaced at any time, with or without cause and without prior notice, by the controlling authority (meaning the Declarant or Board of Directors of the Association, as appropriate). No member of the ARB shall be liable for claims, causes of action, or damages, except where occasioned by such member's negligence or wilful misconduct, arising out of services performed pursuant to this Master Declaration.

Section 2. Plan or Design Approval. No site preparation or initial construction, erection, or installation of any improvements, or any changes thereto, including but not limited to, dwelling or other units, outbuildings, garages, fences, walls, signs, excavation, or changes in grades shall be undertaken on any lot unless the plans and specifications therefor, showing the nature, kind, shape, height, materials and location of the proposed improvements shall have been submitted to the ARB and expressly approved in writing. No subsequent alteration

or modification of any existing improvements or construction, erection, or installation of additional improvements may be undertaken or allowed to remain on any lot without the review and express written approval of the ARB. The ARB may refuse approval of any plans, in whole or in part, for any reason, including purely aesthetic reasons, which shall in the sole and uncontrolled discretion of the ARB be deemed sufficient. The ARB shall establish minimum requirements for submission for approval, but shall have the authority to request such additional information as it may determine is necessary in order to make its decision. All rules, regulations, procedures, restrictions, and standards promulgated by the ARB shall supplement this Master Declaration and any Supplemental Declaration, and are incorporated herein by reference. The ARB shall at all times endeavor to be fair, reasonable, and uniform in its application of such rules, regulations, procedures, restrictions, and standards, and shall be responsive to technological advances and general changes in architecture, construction, and related conditions, and shall use its best efforts to balance the equities between matters of taste and design and the use of private property.

Section 3. Effect of Failure to Approve or Disapprove. In the event that the ARB fails to approve or disapprove the design of any proposed improvements within thirty (30) days after plans and specifications for same have been submitted to and received by it, approval will not be required and the provisions of this Article will be deemed to have been complied with fully; provided, however, that the plans and specifications required to be submitted shall not be deemed to have been received by the ARB if they contain erroneous data or fail to present adequate information upon which the ARB can base its decision.

Section 4. Right of Inspection. The ARB shall have the right, at its election, to enter upon any of the lots during preparation, construction, erection or installation of any improvements in order to determine that such work is in accordance with the approved plans and specifications. The ARB is authorized and empowered to inspect and review any and all aspects of the construction of any improvements on any lot which may, in its reasonable opinion, adversely affect the living enjoyment of other owners or the general value and appearance of SKYBROOK. If any improvement is found to be in violation of the provisions contained herein, the ARB may require that owner to restore such non-conforming or unapproved improvements to the condition existing prior to such construction, including without limitation, the demolition and removal thereof. The ARB may undertake such demolition, removal, and/or restoration itself and shall then levy the cost thereof as a special assessment against the subject lot.

Section 5. Exterior Maintenance. The exterior maintenance of the unit and other improvements constructed upon the lot shall be the duty of the owner of such unit or lot, except as specifically provided otherwise in this Master Declaration or any Supplementary Declaration, and shall not normally be interfered with by the Association. The Owner shall be responsible for the maintenance, repair or replacement of any defective plumbing, water heaters, heating equipment, air conditioning equipment, lighting fixtures, and all other equipment and improvements located on his lot. If, however, in the opinion of the Association, any owner shall fail to maintain any unit, lot or equipment as specified in a reasonably neat and orderly manner, or shall fail to keep same in a state of repair so as not to be unsightly, the Association, at its discretion and after ten (10) days written notice to such owner, may enter upon and make or cause to be made any necessary repairs and maintenance to such unit or lot, including but not limited to removal of trash, cutting of grass, pruning of shrubbery, and seeding for erosion control. The Association, or its agents shall have an easement for the accomplishment of the foregoing. Any costs incurred by the Association in the making of such repairs and maintenance, plus a service charge in the amount of twenty (20%) percent of such costs, shall be added to and become a part of such other assessments to which the unit or lot is subject.

ARTICLE V**MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION;
ANNUAL AND SPECIAL ASSESSMENTS**

Section 1. Membership in the Association. Each and every owner of a lot, including contract sellers, shall be a member of the Association. The foregoing does not include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and shall not be separated from any lot which is subject to assessment by the Association. The Board of Directors may make reasonable rules relating to the proof of ownership of a lot in SKYBROOK. In addition, for so long as Declarant owns any part of SKYBROOK, Declarant shall also be a member of the Association. Further, the owner of any Apartment District shall be a member of the Association and shall be subject to the same regulations and charges as all other owners relative to membership in the Association.

Section 2. Right of Declarant to Representation on Board of Directors of the Association. Notwithstanding anything contained herein to the contrary, until December 31, 2020, or until seventy-five percent (75%) of the total number of permitted dwelling units lots to be contained within SKYBROOK have been conveyed by the builder of such dwelling units to homeowners, Declarant or its express assignee shall have the right to designate a two-thirds (2/3) majority of the Board of Directors of the Association. Whenever Declarant shall be entitled to designate and select any person(s) to serve on the Board of Directors, the manner in which such person(s) shall be designated shall be as provided in the Supplementary Declaration, Articles of Incorporation, and/or Bylaws for the Association. Declarant shall have the right to remove any person(s) so selected by it and to replace such person(s) so removed with another person(s) selected as herein provided. Any Director designated by Declarant need not be an owner. Declarant, as a member of the Association, or any representative of Declarant serving on a Board of Directors, shall not be required to disqualify himself from the vote upon or entrance into any contract or matter between Declarant and the Association in which Declarant may have a pecuniary or other interest.

Section 3. Association Member Classes and Voting Rights. The Association shall have two (2) classes of voting members:

Class A. Class A members shall be each owner and shall not include Declarant. Class A members shall be entitled to one (1) vote for each lot owned. The vote for each Class A member shall be exercised as that member's representatives among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Class A member and no fractional vote may be cast with respect to same.

Class B. The Class B member shall be the Declarant. The Class B member shall be entitled to seven (7) votes for each lot in which it holds the required ownership interest and seven (7) votes for each full \$50,000 of assessed valuation of all undeveloped acreage subject to this Declaration, as such assessed valuation is determined by the appropriate governmental authority for ad valorem tax purposes as of January 1 of the applicable year; provided, however, that the Class B membership shall cease and be converted to Class A membership on the happening of the earlier of the following events:

(a) The total votes outstanding in Class A membership equals the total votes outstanding in Class B membership; provided, however, that the Class B membership shall be reinstated with all the rights, privileges, responsibilities and voting power if, after the

conversion of Class B membership to Class A membership as hereinabove provided, additional land is annexed to the properties without the assent of the members on account of development of such additional land by Declarant, all in accordance with Article VII, Section 2, of this Master Declaration; or

(b) December 31, 2020.

Section 4. Voting, Quorum, and Notice Requirements for the Association. Except as may be otherwise specifically set forth in this Master Declaration or in the Articles of Incorporation and/or Bylaws of the Association, the vote of a simple majority of the aggregate votes entitled to be cast by all classes of members of the Association, present or represented by legitimate proxy at a legally constituted meeting at which a quorum is present, shall be the act of the Association. The number of votes present at an Association meeting that is properly called and that will constitute a quorum shall be as set forth herein or in the Association Bylaws.

Section 5. Voting Rights Suspension. The right of any Class A member to vote may be suspended by the Board of Directors of the Association for just cause pursuant to its rules and regulations and according to the provisions of Article II, Section 7, of this Master Declaration.

Section 6. Covenant for Assessments. The Declarant, for each portion or parcel of SKYBROOK owned by it, hereby covenants, and every other owner of any lot covered by this Master Declaration, including the owner of any Apartment District, by acceptance of a deed therefor, whether or not expressed in any such deed or other covenant, is deemed to covenant and agree to pay to the Association, each of which shall be fixed, established, and collected from time to time as hereinafter provided:

(a) annual assessments or charges;
(b) special assessments for capital improvements and/or other purposes; and,
(c) individual special assessments levied against individual owners to reimburse the Association for extra costs for maintenance or repairs as set out in Article V, Section 12, of this Master Declaration.

Each such assessment on a lot, together with interest thereon and the costs of collection thereof, including attorney's fees, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which the assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees incurred by the Association in collecting delinquent assessments, shall also be the personal obligation of the person or entity who was the owner of such lot at the time the assessment became due. No owner may escape liability for any assessment through nonuse of the Common Area or Limited Common Area or through abandonment of his property. The obligation of an owner for delinquent assessments shall pass to his successors or assigns in title unless expressly excused by the Association, except that such personal obligation shall not pass to mortgagees or trustees under Deeds of Trust of such successor owner or assignee.

Section 7. Purpose of Association Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the beautification of SKYBROOK, the recreation, health, safety and welfare of the owners in SKYBROOK, the enforcement of this Master Declaration, any Supplementary Declaration, and the rules of the Association, and, in particular, the improvement and maintenance of the services and facilities of the Common Area, Limited Common Area, Landscape Easements, and Maintenance Easements. Anything contained in this Master Declaration to the contrary notwithstanding, until such time as the Class B membership shall cease and be converted to Class A membership, any costs associated with the initial construction and installation of improve-

ments not provided by Declarant which are located in the Common Area, Limited Common Area, Landscape Easements, or Maintenance Easements shall be incurred by the Association only after such initial improvements costs are approved by the majority of the votes of Class A members present or represented by proxy at a duly constituted meeting of Class A members at which a quorum is present.

Section 8. Annual Assessments. Except as hereinafter limited, each owner shall pay to the Association the annual assessment pursuant to this Master Declaration. On or before December 31 of each year, the Board of Directors of the Association shall set the amount of the annual assessment applicable to each Assessment Class as hereinafter defined for the ensuing year, taking into consideration, among other things, the then current development and/or maintenance costs to be borne by the Association, estimated increases in development and/or maintenance costs, and the future needs of the Association, which may include a reasonable contingency fund. Written notice of the Association assessment shall be provided to each owner no later than February 15 of the ensuing year. The assessment(s) as applicable to each owner shall be as follows:

(1) **Assessment Class 1:** All owners of single-family detached homes for which no exterior maintenance is provided by the Association are required to pay Class 1 assessments.

(2) **Assessment Class 2:** All owners of single-family detached homes for which exterior maintenance is provided by the Association are required to pay Class 2 assessments.

(3) **Assessment Class 3:** All owners of attached townhomes are required to pay Class 3 assessments.

(4) **Alley Assessment:** All owners of lots which are served by private alleys are required to pay Alley Assessments in addition to the appropriate Class 1, 2, or 3 assessments, but such Alley Assessments shall be payable only in those years or at such other times as the Board of Directors determines that the private alleys are in need of repair, maintenance, or improvement, at which time said Board of Directors will fix the Alley Assessment amount and levy same against the affected owners.

(5) **Apartment District Assessment.** The Board of Directors of the Association shall fix the amount of the assessment due from the owner of any Apartment District in accordance with the provisions of this section at the time such assessment becomes due on account of the existence or creation of an Apartment District.

Beginning with assessment year 2002 and thereafter, the maximum annual assessment shall be established by the Board of Directors and may be increased without approval of the members by an amount not to exceed fifteen percent (15%) of the maximum annual assessment allowable in the year immediately preceeding. The maximum annual assessment may be increased without limit by the affirmative vote of two-thirds (2/3) of each class of members who are voting in person or by proxy at a meeting duly called for this purpose. The Board of Directors may at any time fix the annual assessment at an amount not exceeding the maximum.

It is specifically understood that, beginning with assessment year 2001, builder-owners who purchase a lot on which to construct a dwelling unit for sale and Declarant shall be required to pay to the Association an annual assessment equal to 25% of the then-current assessment appropriate to each lot owned as of January 1 of that year.

Section 9. Special Assessment. In addition to the annual assessments as authorized hereinabove, the Association may levy one or more special assessments applicable to that year only for the purpose of defraying the costs of construction or reconstruction, unexpected repair or replacement of any improvements located upon their respective Common Areas, Limited Common Areas, Landscape Easements, or Maintenance Easements, including the necessary fixtures and personal property related thereto, provided that any such special assessment shall have the assent of two-thirds (2/3) of the votes of each class of the members who are voting in person or by proxy at a meeting duly called for this purpose, with notice of said meeting having been sent to all members at least thirty (30) days in advance. Any such special assessment shall be assessed against the appropriate owners in the same manner and according to the same allocation formula as the regular annual assessments.

Section 10. Special Individual Assessments. The Association may levy special assessments against individual owners for reimbursement to the Association for repairs to the Common Areas, Limited Common Areas, Landscape Easements, or Maintenance Easements or any improvements thereto which are occasioned by the willful or negligent acts of such owner(s) and not the result of ordinary wear and tear, or for payment of fines, penalties, or other charges imposed against an owner relative to such owner's failure to comply with the terms of this Master Declaration, any Supplementary Declaration, and/or the Association Articles of Incorporation and/or Bylaws, including without limitation, reimbursement to the Master Association for expenses incurred in connection with the enforcement of the provisions of Article VI of this Master Declaration.

Section 11. Initial Contributions. Each owner of a completed dwelling unit, except the owner of any Apartment District and as further limited hereinbelow, shall contribute to the Association the sum of \$50.00 payable at the closing of such purchase, which initial contribution shall be deposited into the Association's regular operating account. The owner of any Apartment District shall, at the time of the issuance of a Certificate of Occupancy by the governing jurisdiction for a building or buildings, pay to the Association the sum of \$5.00 for each dwelling unit contained therein as an initial contribution. Further, such initial contributions shall not be due from builder-owners who purchase a lot on which to construct a dwelling unit for sale. Initial contributions shall not be considered to be advance payment of annual assessments, special assessments, or special individual assessments. Initial contributions are payable by the initial purchaser as well as all subsequent purchasers of a given dwelling unit.

Section 12. Date of Commencement of Annual Assessments; Due Dates. The annual assessments as herein provided shall commence with the year 2001 and shall continue thereafter from year to year. Annual assessments shall be due and payable on or before the 1st day of March of each and every year. Any special assessments or special individual assessments shall be payable in accordance with the Board of Director's resolution authorizing same. Beginning January 1, 2001, each owner shall be liable for the payment of all assessments, beginning with the annual assessment due for the year in which the closing of the purchase of his dwelling unit occurs, which amount for year one shall be pro-rated for any partial year from the date of such closing through year-end. Nothing contained herein shall prohibit any contract seller (except for any builder-owner) from arranging with his contract purchaser for the pro-rata reimbursement of any pre-paid assessments, but Association shall not be liable to any party for such reimbursement. The Association shall, upon demand, furnish a written certificate setting forth the status of assessments applicable to a specified lot, and may make a reasonable charge for the issuance of such certificate. Such certificate shall be conclusive evidence of the status of the payment of assessments.

Section 13. Remedies for Non-Payment of Assessments. Any assessment which is not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days of the specified due date, the assessment shall bear interest from the date of delinquency at the rate of eighteen (18%) percent per annum. The Association may bring an action at law against the owner personally obligated to pay such assessment or may foreclose the lien created herein in the same manner prescribed by the laws of the State of North Carolina for foreclosure of Deeds of Trust. Costs, interest, and reasonable attorney's fees as hereinabove provided shall be added to the amount of such assessment. No owner may waive or otherwise escape liability for assessments by the nonuse of the Common Area or Limited Common Area or the abandonment of his lot. In the event of such action at law or in the event of the entrance of judgment against the owner in favor of the Association, the Association shall be further empowered to execute on such judgment in such manner and to the extent permitted by the laws of the State of North Carolina.

Section 14. Subordination of the Lien to Mortgages and Ad Valorem Taxes. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage Deed of Trust and to ad valorem taxes. Sale or transfer of any lot shall not affect the assessment lien; provided, however, that the sale or transfer of any lot pursuant to an order of foreclosure of a mortgage thereon, or any procedure in lieu of foreclosure, shall extinguish the lien of assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve a lot from liability or liens arising from assessments which become due thereafter.

Section 15. Exempt Property. Any portion of SKYBROOK dedicated to and accepted by a local public authority shall be exempt from assessments herein created; provided, however, that no land or improvements devoted to any private use as permitted hereunder shall be exempt from assessments.

Section 16. Annual Budget. By majority vote of the Directors, the Association Board of Directors shall adopt an annual budget for the subsequent operational year which shall provide for the allocation of expenses in such manner that the obligations imposed by this Master Declaration and by any and all Supplementary Declarations will be met, subject, however, to the limitations on amounts of assessments and provisions regarding the increase in same as contained in this Master Declaration, any Supplementary Declaration, and/or the by-laws of the Association.

Section 17. Additional Associations. Nothing contained herein shall prohibit or affect Declarant's rights to establish one or more additional associations to govern a specific section or sections of SKYBROOK. For example, Declarant may elect to establish an association to oversee the Market District. In the event any separate association is established, the annual assessment appropriate to the owners of the lots within that section shall be remitted to that separate association rather than to Skybrook Homeowners Association, Inc.

Section 18. Right to Impose Fines for Violations. The Association shall, after first having provided the appropriate owner with ten (10) day's written notice of its intent to do same, have the right to impose reasonable monetary fines for the violation of any provision of this Master Declaration or any Supplementary Declaration, which fine(s) shall constitute a lien against the violator's property.

ARTICLE VI
EASEMENTS

Section 1. Walks, Drives, Parking Areas, Utilities, Etc. SKYBROOK, including all lots, Common Areas, Limited Common Areas, Landscape Easements, and Maintenance Easements, shall be subject to such easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage, gas lines, telephone lines, electric power lines, television antennae lines, any other utilities, ingress, egress, regress, and otherwise, as shall be established by the Declarant or by its predecessors in title prior to the conveyance of the Common Areas and Limited Common Areas to the Association. After such conveyance, the Association shall have the power and authority to grant and establish further easements upon, over, under, and across the Common Areas and Limited Common Areas.

Section 2. Landscape Easements; Maintenance Easements. As shown on the recorded or to be recorded plats of SKYBROOK, certain areas which are not Common Areas or Limited Common Areas may be designated as Landscape Easements or Maintenance Easements, including without limitation all trees, grass and other landscaping contained within the tree lawns behind the curbs, even though such tree lawns lie within the public rights-of-way of the adjacent streets. Declarant hereby reserves for itself, its successors and assigns, and then, without further assignment required, for the Association, an easement over, under, and across each of those areas so designated for the purposes of the installation, operation, maintenance, and repair of improvements located or to be located thereon, including all personal property which may be associated with such improvements, except for any such improvements or personal property for which a public utility or other public authority shall be responsible.

Section 3. Sign Easement. Further, some lots are subject to a "Sign Easement" as shown on the recorded plat, which easement is created by Declarant for the purpose of construction and maintenance of a neighborhood identification sign. Declarant hereby reserves unto itself, its successors and assigns, and thereafter to Skybrook Homeowners Association, Inc., the free and full right of ingress, egress, and regress over and across those areas subject to said "Sign Easement" and the right from time to time to remove any and all obstructions that, in the opinion of Declarant, its successors and assigns, and thereafter Skybrook Homeowners Association, Inc., may injure, endanger, or interfere with the maintenance, visibility, or appearance of the sign. Declarant, and thereafter Skybrook Homeowners Association, Inc., shall be solely responsible for any and all grassing, planting, or other landscaping introduced within the boundaries of said "Sign Easement", including the regular maintenance thereof, and the owner(s) of the lot(s) subject to such easement shall at no time attempt to add to, remove, or interfere in any manner whatsoever with such grassing, planting, and/or landscaping. The owner(s) of such lot(s) shall not locate any structure of any nature within the boundaries of said "Sign Easement" without the express written permission of Declarant. Owner(s) shall otherwise retain all rights to use the property subject to said "Sign Easement" except as set forth hereinabove.

Section 4. Buffer Areas. Areas within certain lots are designated as buffer areas, Landscape Buffer, or Thoroughfare Buffer. The topography or any landscaping within any such buffer shall not be disturbed or altered without the prior written consent of Declarant. No walks or paths shall be installed within a buffer area without the prior written consent of Declarant. No buffer area shall be fenced, screened, or otherwise enclosed. A buffer area shall be that portion of any lot within 50 feet of any property line adjoining a lake or pond, or Skybrook Golf Club, or as may otherwise be shown on the recorded plat.

Section 5. Lake Easement. Declarant hereby reserves for itself, the owner/operator of Skybrook Golf Club, and the Association, their respective heirs, successors, assigns, designees, agents, and employees, the nonexclusive right to enter onto any lake or other body of water which provides the source of water for irrigation of Skybrook Golf Club properties, or any Common Areas or Limited Common Areas, or any other facility permitted to take and receive water for irrigation purposes from such lake or other body of water in order to construct, maintain, or repair said lake or other body of water and all structures and other equipment required for those permitted purposes, including but not limited to the free and full right of ingress, egress and regress necessary to access such lake or other body of water.

Section 6. Golf Course Easement. Each and every lot and all Common Areas and Limited Common Areas shall be burdened with an easement permitting golf balls to unintentionally come onto such areas, and for agents and employees of Skybrook Golf Club, including golfers, at reasonable times and in a reasonable manner to enter onto same in order to retrieve such errant golf balls and to maintain, operate and repair Skybrook Golf club and its related facilities and amenities. Provided, however, that no such entry shall be permitted onto a fenced or walled area without the appropriate owner's permission. This easement shall not be construed so as to relieve any golfers of liability for any damage caused by errant golf balls, nor shall any liability for same be held by or imputed to Declarant or the Association or the owner of Skybrook Golf Club.

Section 7. Encroachments; Declarant's Easement to Correct Drainage. All lots, Common Areas, and Limited Common Areas shall be subject to easements for the encroachment of initial improvements constructed on adjacent lots by Declarant to the extent that such initial improvements actually encroach, including but not limited to, overhanging eaves, gutters, downspouts, exterior storage rooms, bay windows, steps, and walls. If such encroachment is a result of settling or shifting of any building or of any permissible repair, construction, reconstruction, or alteration, there is hereby created a valid easement for such encroachment for the maintenance of same. For a period of twenty-five (25) years from the date of the first conveyance of a lot in any parcel, phase, or section of SKYBROOK, Declarant reserves a blanket easement on, over, and under the ground within that parcel, phase, or section for the maintenance and correction of drainage or surface water in order to maintain reasonable standards of health, safety, and appearance. Such easement expressly includes the right to cut any trees, bushes, or shrubbery, make any gradings of the soil, or take any other similar action as may be reasonably necessary. After such action has been completed, Declarant shall restore the affected area to its original condition to the extent practicable. Declarant shall give reasonable notice of its intent to take such action to the affected owner. These rights, easements and reservations are assignable by the Declarant.

Section 8. Private Alleys and Limited Common Areas. Private alleys and other Limited Common Areas may be created to serve the needs of units thereon. Such private alleys and other Limited Common Areas shall be subject to an easement in favor of every lot to which they are adjacent or which they are designed to serve and shall be deemed appurtenant to each lot whereby the owner of such lot shall be entitled to use them as a means of ingress, egress, and regress and for such other uses as may have been designated.

Section 9. Easement to the Governmental Authority. An easement is hereby established for municipal, state or other public utilities serving the area, and for their agents and employees, over all Common Areas and Limited Common Areas hereby or hereafter established for setting, removing and reading utility meters, maintaining or replacing utility or drainage connections, collection of trash and recyclables, and acting with other purposes consistent with the public safety and welfare, including without limitation, police, fire, and rescue protection.

ARTICLE VII

ANNEXATION OF ADDITIONAL PROPERTIES

Section 1. Annexation by Association. Except as provided in Section 2 of this Article VII, additional lands may be annexed to SKYBROOK by the Association only if two-thirds (2/3) of the aggregate votes in each class of members are cast in favor of such annexation. In this particular case, the Class B member shall be entitled to only one vote for each unit or lot owned and only one vote for each full \$50,000 of assessed valuation (as defined in Article V, Section 3, of this Master Declaration) of the undeveloped acreage subject to this Master Declaration. Written notice of the meeting duly called for this purpose shall be given to all members at least thirty (30) days in advance of the meeting date. The presence at such meeting of the members or authorized proxies entitled to cast, in the aggregate, sixty (60%) percent of the votes shall constitute a quorum. If the required quorum is not met, another meeting shall be called within sixty (60) days thereafter, subject to the same rules of notice as hereinabove set forth, with the required quorum at that meeting being one-half (1/2) of that required for the first meeting. If a quorum is present and a majority of votes is cast in favor of annexation, but the majority is less than the two-thirds (2/3) majority required for approval and it appears that the required two-thirds (2/3) majority would be met if the members not present or voting by proxy would assent to the annexation, the members not present or voting by proxy may assent to or dissent from the proposed annexation in writing within one hundred twenty (120) days following the meeting date. At that time, if the number of votes actually cast at the meeting in favor of annexation together with the votes deemed to have been cast by members assenting to same shall constitute the required two-thirds (2/3) majority, the annexation shall stand approved.

Section 2. Annexation by Declarant. Declarant may annex additional land to SKYBROOK in the following manner:

(a) If within twenty (20) years of the date of incorporation of the Association Declarant should develop additional land within or contiguous to any tract(s) approved for development by the appropriate governing jurisdiction as of the date hereof, or submitted to VA or HUD, such additional land may be annexed to SKYBROOK without the assent of the members.

(b) If within twenty (20) years of the date of incorporation of the Association Declarant should develop from time to time an additional tract or tracts other than as described in subsection 2(a) above but contiguous to such boundaries, such additional land may be annexed to SKYBROOK without the assent of the members; provided, however, that such annexation shall be approved by the appropriate governing jurisdiction if so required.

(c) Declarant may annex to SKYBROOK additional land as described in subsections 2(a) and 2(b) above by the recordation in Mecklenburg and/or Cabarrus County Registry of a Supplementary Declaration describing the land to be annexed and incorporating the provisions of this Master Declaration. The additional land will be deemed annexed to SKYBROOK as of the date of such recordation and no other action or consent by the members shall be required.

(d) Subsequent to recordation of such Supplementary Declaration, Declarant shall deliver to the Association a deed conveying any Common Area or Limited Common Area on the annexed land to the Association, as appropriate.

ARTICLE VIII

GENERAL PROVISIONS

Section 1. Enforcement. The Association or any owner shall have the right to enforce, by any proceeding at law or in equity, including without limitation the right to impose a fine or fines against the offending owner, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by this Master Declaration. Failure by the Association or any owner to enforce any covenant or restriction herein contained shall in no way be deemed a waiver of the right to do so thereafter.

Section 2. Rights of Lenders and Insurers of First Mortgages. Lenders and insurers of first mortgages shall have the following rights:

(a) In the event that any owner is in default in any obligation hereunder which remains uncured for a period of sixty (60) days, every lender who is a first mortgagee as to the lot of the defaulting owner, and every insurer of any such first mortgage, shall be notified immediately of such default, provided that such lender and/or insurer shall have given written certified notice to the Association that it is a mortgagee or insurer as to the lot of such owner and shall have requested the notice of default as herein set forth.

(b) Every first mortgagee and/or insurer of the first mortgage of a lot shall have the right to examine the books of the Association during regular business hours.

Section 3. Covenant by Owners. Each and every owner acknowledges by acceptance of a deed to any property encumbered by this Master Declaration and any Supplementary Declaration that Skybrook is a master planned community, the development of which is likely to extend over numerous years, and covenants hereby not to protest, challenge or otherwise object to changes in permitted uses or density of said property, including any property annexed by Declarant under the terms of this Master Declaration, or changes in any Master Plan as it relates to same.

Section 4. Duration of Covenants; Amendment by Owners. The covenants, conditions and restrictions of this Master Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association or the owner of any lot subject hereto, their respective legal representatives, heirs, successors and assigns, for a term of forty (40) years from the date of recordation of this Master Declaration, after which time said covenants shall be automatically extended for successive periods of ten (10) years. This Master Declaration may be amended during the first forty (40) year period or thereafter by an instrument executed by not less than seventy-five (75%) percent of the members of the Association; provided, however, that the Board of Directors of the Association may amend this Master Declaration to correct any obvious error or inconsistency in drafting, typing or reproduction, or to make any amendment requested by VA, HUD or Federal National Mortgage Association, without action or consent of the members, and such amendment shall be certified as an official act of the Association Board of Directors and recorded in Mecklenburg and/or Cabarrus County Registry.

Section 4. Withdrawal of Property; Declarant's Consent to Amendment. Notwithstanding anything contained hereinabove, the written consent of Declarant to any amendment or modification to this Master Declaration or to any Supplementary Declaration must be obtained for any such amendment or modification made prior to December 31, 2020. Further, Declarant reserves the right, for so long as it has the right to annex additional property as herein provided, to withdraw any unimproved portions of the property to which encumbered

by this Master Declaration and any Supplementary Declaration from coverage by same, provided such withdrawal does not reduce the total number of units covered by such Master Declaration or Supplementary Declaration by more than 10%, and to amend or modify the Master or Supplementary Declaration as necessary to effect such withdrawal. Such amendment or modification shall not require the consent of any other owner.

Section 5. Amendment to Achieve Tax-Exempt Status. Declarant, for so long as it controls the Board of Directors of the Association, and thereafter the Association Board of Directors, may amend this Master Declaration as shall be necessary in its opinion, without the consent of any owner and with the consent of VA or HUD, to qualify the Association, or SKYBROOK, or any portion thereof, for tax-exempt status. Such amendment shall become effective at the time of its recordation in the Mecklenburg and/or Cabarrus County Registry.

Section 6. Certification and Recordation of Amendment. Any instrument amending this Master Declaration, other than an amendment to correct an obvious error or inconsistency in drafting, typing or reproduction, shall be delivered, following approval by the members, to the Association Board of Directors. Thereupon, the Association Board of Directors shall, within thirty (30) days of delivery, do the following:

(a) Reasonably assure itself that the amendment has been duly approved by the members as provided in Section 3 of this Article. For this purpose, the Board may rely on its roster of members without causing any title to be searched;

(b) Attach to the amendment a certification as to its validity which shall be executed by the Association; and,

(c) Cause the instrument to be recorded in the Mecklenburg and/or Cabarrus County Registry.

Section 7. Effect and Validity of Amendments. All amendments shall be effective from the date of recordation in the Wake County Registry. Upon such recordation and certification by the Association Board of Directors, it shall be conclusively presumed that such instrument constitutes a valid amendment as to the owners of all lots in SKYBROOK.

Section 8. Exchange of Common Area or Limited Common Area. Notwithstanding any provision contained herein to the contrary, it is expressly provided that the Association may convey to Declarant, as well as to any other member, for fair market value, any portion of the Common Area or Limited Common Area previously conveyed to the Association as provided in the Articles of Incorporation of the Association. If required, any such conveyance shall be subject to the prior approval of VA or HUD. Upon such conveyance, the area conveyed shall cease to be subject to the provisions of this Master Declaration as it relates to Common Area and Limited Common. Any area so purchased by the Association pursuant to these terms shall become Common Area or Limited Common Area, as appropriate, and shall be subject to the provisions of this Master Declaration as it relates to Common Area and Limited Common Area. The following hypothetical situation is by way of illustration only and not of limitation: Due to a surveying error, an area of undesirable drainage is designated as a dwelling unit lot. Pursuant to these terms, Declarant may convey to the Association said lot which will then become Common Area.

Section 9. Insurance Proceeds. The Association shall use the proceeds realized from any casualty insurance recovery to replace and/or repair the damage or destruction of any property, real or personal, which is covered by such insurance. Any balance remaining from those proceeds after satisfactory restoration of the affected property shall be retained by the Association as a part of its general operating funds to be used for the purposes as delineated in this Master Declaration and any Supplementary Declaration. If such insurance proceeds

should be insufficient to repair or replace any casualty loss or damage to covered property, the Association may levy a special assessment as hereinabove provided to cover the deficiency.

Section 10. Protective Covenants for Multi-Unit Dwellings and Other Permitted Uses. Nothing contained herein shall affect Declarant's right to establish, from time to time, appropriate specific additional covenants for the development and use of lots for attached or detached units or for any other permitted use within SKYBROOK.

Section 11. Conflicts. In the event of any irreconcilable conflict between this Master Declaration and the Bylaws of the Association, the provisions of this Master Declaration shall control. In the event of an irreconcilable conflict between this Master Declaration or the Bylaws of the Association and the Articles of Incorporation of same, the provisions of the Articles of Incorporation shall control.

Section 12. Severability. Invalidation of any one of the provisions of this Master Declaration by judgment or court order shall in no way affect any other provisions of this Master Declaration, which shall remain in full force and effect.

ARTICLE IX

DISSOLUTION OR INSOLVENCY OF THE ASSOCIATION

The Association may be dissolved with the assent given in writing and executed by not less than two-thirds (2/3) of each class of its members. Upon dissolution other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those intended by the Association. If such dedication is refused, the assets shall be granted, conveyed and assigned to any non-profit corporation, association, or trust or any other organization devoted to similar purposes.

IN WITNESS WHEREOF, Declarant has caused this instrument to be executed and its seal affixed hereto, the day and year first above written.
